The Stratford Classical Christian Academy is holding a one-day symposium to introduce and assist Christian homeschoolers of the NJ/PA/DE region in implementing the classical method in their homeschool. This symposium is for new or experienced Christian homeschoolers who desire to improve upon their current teaching methods and content. Specific attention will be given to defining classical education and reviewing various curricula from the perspective of the trivium. Workshops will equip homeschoolers with the 7 laws of teaching and practical skills in teaching math, Latin, and the Omnibus from a classical pedagogy. Register by phone, web-site or mail the registration form attached.
